

# 2014 ALL-DISTRICT BAND RESULTS

Congratulations on a very successful day of performances at Arbor Creek MS! Mrs. DeSoto and I are very proud of the individual hard work everyone has put into preparing for the All-District and All-Region auditions. Everyone has worked very diligently and has become stronger through the process – which is the true goal!

There were 900+ students that auditioned today for a spot in the All-District Band! We are very proud of everyone who auditioned. Many students were extremely close to making a spot in the All-District Band – we will go over full results and comments from judges on Monday. Keep up the hard work toward All-Region! All students will get a fresh chance to audition for the All-Region Band in two weeks.
